The 11th International Conference on Advances in Information Technology

**IAIT 2020**

Digital Transformation and Innovation for Smart Business and Society

The IAIT conference series is a premier annual international conference being organized by the School of Information Technology (SIT), King Mongkut’s University of Technology Thonburi (KMUTT) focusing on the recent advancements in Information Technology and its use towards creating a sustainable society. In the 11th edition the conference will be held from 1st to 3rd July 2020 in Bangkok, Thailand. This conference aims to bring together leading researchers, scholars, scientists, and students across the globe under one roof to exchange and share new developments and research ideas about all aspects of Information and Communication Technologies. The theme of the conference is “Digital Transformation and Innovation for Smart Business and Society”, with the main focus being on the recent advancements and breakthroughs in some of the most emerging technologies of the recent times like computational intelligence and machine learning, natural language processing, cyber security, human-centric computing, and smart systems. By incorporating a wide spectrum of topics, the conference tries promoting more inter-departmental and inter-disciplinary research towards creating a sustainable digital society benefiting mankind. All the accepted and presented papers will be published by the reputed ACM ICP Series having ISBN number 978-1-4503-7759-1 and indexed by all major databases like Scopus, ISI Web of Science (Thompson Reuters), EI Compendex, DBLP, etc.

- Chotipravat Thongthong, King Mongkut’s University of Technology Thonburi, Thailand
- Prasit Jirakul, King Mongkut’s University of Technology Thonburi, Thailand
- Srisatwiwat Phuklo, King Mongkut’s University of Technology Thonburi, Thailand
- Teerawat Pholprasert, King Mongkut’s University of Technology Thonburi, Thailand
- Nitarong Srichai, King Mongkut’s University of Technology Thonburi, Thailand
- Kittichai Lavangnananda, King Mongkut’s University of Technology Thonburi, Thailand
- Boonsai Wannakraiwat, King Mongkut’s University of Technology Thonburi, Thailand
- Surin Leelavongvath, King Mongkut’s University of Technology Thonburi, Thailand
- Thongchai Thongthong, King Mongkut’s University of Technology Thonburi, Thailand

**International Program Committee**

- Ashish Gohil, Indian Statistical Institute, India
- Bidit Hemraj Sinha, Indian Institute of Technology, India
- Ceteth Gauri, Dublin City University, Ireland
- Claudia Aigner, Teeside University, UK
- Georgios Djouman, Aachen University of Applied Sciences, Germany
- Deepak K. Malhotra, King Mongkut’s University of Technology, Thailand
- Indigiri Banerjee, Indian Institute of Engineering Science and Technology, India
- Janusz Modzelewski, Lodz University of Technology, Poland
- Julii Orvalho, Technische Universitat Wien, Austria
- Khalid Olyazoe, Ontario Tech University, Canada
- LeFong Chia, Nihon University, Thailand
- Mohamed Abdir Razooque, Teeside University, UK
- Prasad Ray, Indian Institute of Science and Technology, India
- Prithwi Nath Barua, Tezpur University, India
- Rajeshthi Priyadarshini, Institute of Development and Research in Banking Technology, India
- Rikard Sjöqvist, Texas Tech University, USA
- Sooriya Goutham, Jadavpur University, India
- Viva ChanKong, Cercy Western University, USA
- Vincent Goula, The Centre for Applied Genomics, Hospital for Sick Children, Canada
- Xiaoxin Zhou, Wayne State University, USA
- Yoo-Chi Tsai, National Taipei University, Taiwan
- Yu-Tai Chen, National United University, Taiwan

**General Chair**

- Kongsipho Pakkaree, King Mongkut’s University of Technology Thonburi, Thailand

**Program Committee Chairs**

- Bhumit Watanapa, King Mongkut’s University of Technology Thonburi, Thailand
- Hark Cheng, University of Toronto, Canada
- Simon Feng, University of Macau, Macau

**International Advisory Board**

- Ali Al-Qunna, National Electronic and Computer Technology Center (NECTEC), Thailand
- Boninni Atchuthan, King Mongkut’s University of Technology Ladkrabang, Thailand
- Ronny Papenweiss, King Mongkut’s University of Technology Thonburi, Thailand
- Dusit Punsarunt, National Electronics and Computer Technology Center, Thailand

- Biologically Inspired Computation
- Biomedical Informatics and Computation
- Computational Linguistics
- Computer Vision
- Conversational Agents
- Distributed Computing and Big Data Analytics
- Evolutionary Computation
- Fuzzy Systems
- Image Processing and Computer Graphics
- Neurol Network and Deep Learning
- NLP and Text Mining
- Social Network Analytics

**Cybersecurity and Networking**

- Cloud Computing
- Cyber-physical Systems
- Cybersecurity
- Data Center Networking
- Industrial IoT
- Network Management and Policy
- Network Analysis
- Quality of Services
- SDN/NFV
- Wireless Sensor Networks

**Human-centric Digital Transformation**

- Assistive and Companion Technologies
- Design Method
- Human Factors
- Human Performance Modelling
- Human-machine Co-operation and Systems
- Human-machine Interface and Communications
- Interactive and Digital Media
- Technology and Knowledge Management
- User Experience and Interface Design

**Smart Business and Society**

- Blockchain and Financial Technologies
- E-business and Web-services
- Smart Communication Systems
- Smart Health and Health Informatics
- Smart Manufacturing
- Vehicular Network
- Virtual Reality and Augmented Reality Systems
- Wearable Computing
- Web Intelligence and Recommender Systems
